

## 2020-21 Season - Fixtures (Rev B)

Issue date 8th October 2020

### Notes

Future dated fixtures shall be pulled forward to accommodate cup exits and fixture consolidation and teams should expect to receive a fixture on available dates.

Queries re: fixtures should be emailed to [league@northcaleyfa.com](mailto:league@northcaleyfa.com) for the attention of the fixtures secretary, or in his absence, the league secretary.

Kick-off times shall be confirmed in weekly emails sent the week prior to a fixture being played. These emails should be taken as the most accurate record of kick-off times available to teams. Changes to dates or kick-off times MUST be mutually agreed by both teams and ratified by the league secretary before being agreed. Where agreement cannot be reached, the default date and kick off time must be observed. Fixtures are subject to change. Changes and revisions to this fixture list shall be issued by the fixtures secretary via email as and when they are scheduled.
